CK Catering

CK Catering was developed by Marian Taliaferro, former Supervisor of Rappahannock Rapidan Community Services Central Kitchen.

The Central Kitchen provides the meals for the 5 senior sites, as well as catering in-house events and staff functions. With the idea of using her staff's talents to create income for RRCS, Marian opened CK Catering to the public.

Upon Marian's retirement, the new kitchen supervisor and staff have kept CK Catering moving forward with new events and new ideas. CK Catering will continue to offer reasonably priced menu selections and invite new ideas into our kitchen. We are catering with a difference, as all of our profits provide much needed revenue to support the many community programs offered by RRCS.

*RRCS is an equal access and
opportunity organization*
