WARRENTON

Adult Day Healthcare Center

A Rappahannock Rapidan
Community Services Program

About the Warrenton Adult Day Healthcare Center:

Licensed for adult day healthcare, the Warrenton ADHC provides a nurturing, safe environment for adults who need assistance with daily health and personal care activities.

- Participants benefit from enjoyable and stimulating programs, social contact, supervision and access to special therapies if needed
- Caregivers benefit by having more free time, continue working if they so choose, more energy to take care of their loved ones and a chance to network with other caregivers

The Warrenton ADHC Offers:

- Care and supervision provided by certified aides and nurses
- Social and recreational programs based on individual interests
- Health monitoring with medication administration and/or medication supervision
- A person centered plan of care developed with the participant and family
- A nutritious lunch and two snacks per day
- Access to care coordinators and other aging services

Who We Serve:

The Warrenton ADHC serves adults 18 and older who meet admission requirements:

- Reside in Culpeper, Madison, Orange, Rappahannock, Fauquier or other nearby counties
- Have an identified need for ADHC services
- Be at risk for institutional placement without ADHC supportive services
- Not have current needs deemed to be a danger to self or others

Other Information:

The Warrenton ADHC accepts CCC+ (Medicaid managed care), private pay on a sliding scale and some private insurances.

Hours of operation are:

- Monday-Friday/8a-4p
- Transportation available in some areas

For more information or to arrange a tour, call the Warrenton Adult Day Healthcare Center Supervisor (540)347-2797.
